GREATER KYIV

RESILIENCE. INNOVATION. SUSTAINABILITY

November 28, Brussels

In seven years the KIF has become an influential discussion platform, where the most pressing issues of the development of the Ukrainian capital are examined and debated openly and efficiently by city authorities, partners, foreign investors, sustainable development experts, urbanists and prominent economists and think-tanks.

2022 Kyiv Investment Forum is a prolongation and extension of the discussion platform in order to address new challenges that have arisen in front of the Greater Kyiv. Rebuilding of Kyiv metropolitan area affected by the war, post-war economic recovery of the region along with the insertion of social entrepreneurship in the city DNA will become the focus of the Forum.

GOALS

- Accelerate the growth of the investment ecosystem by uniting the global investors in order to recover infrastructure and modernize Greater Kyiv.
- Unite public and private sectors as a means to foster the development and implementation of solutions for all types of challenges related to economic and social recovery of Kyiv metropolia.
- Demonstrate advantages of the social impact economy and innovation in a manner that contributes to the broader public good, faster restoration of Ukraine, sustainable and equitable economic system for further EU integration.

KIF 2022 was well attended with more than 350 participants, among them are **16 Mayors' delegations, 26 Ambassadors** and Heads of foreign diplomatic missions accredited in Belgium, **7 partner organizations and international institutions, 21 media, 54 business representatives**, industry associations, non-profit organizations, and think tanks.
